Uttar Pradesh Electricity Regulatory Commission Conference 2018
“Creation of Eco System using Block Chain Technology for Renewable Energy Distributed Energy Generation & Supply”

10th October, 2018: Vidyut Niyamak Bhawan, Vibhuti Khand, Gomti Nagar, Lucknow

As you are aware that India is among the fastest growing economies in the world and the third largest consumer of electricity in the world. The Government's impetus to promote the power sector, aided by its ambitious plans to achieve 225 GW of renewable energy capacity by March 2022, with equal distribution of power across the country has augured well for the Industry. This makes India the greenest pasture for investment in Renewable Energy and distribution sector. Block Chain Technology is an Important tool which is expected to play a significant role in extending the benefits of these investment and change in ecosystem to the consumers.

UP being one of the largest states in terms of power generation and consumption, to set the ball rolling, UP Electricity Regulatory Commission is organizing a daylong conference on **Creation of Eco System using Block Chain Technology for Renewable Energy Distributed Energy Generation & Supply on 10th October, 2018, Vidyut Niyamak Bhawan, Vibhuti Khand, Gomti Nagar, Lucknow. There will be four sessions namely:**

- 1. Business model for increasing metering billing & collections in rural area using Block Chain Technology.**
- 2. Use of Block Chain Technology to scale up distributed rural energy generation and supply in rural area.**
- 3. Use of Block Chain technology in providing quality reliable uninterrupted power by mini grids having different generating technologies (Solar PV/Wind/Bio Mass etc.)**
- 4. Regulatory framework for creating enabling environment for distributed renewable energy Developers.**

I am writing to cordially invite you to attend and/or nominate your concerned colleague to participate and actively contribute to the conference deliberations. Your participation would not only enrich the deliberations but also go a long way in helping us to achieve the objective of the conference. For **online registration** [Please Click Here](#) Or you can fill the attached form and send to vikas@uperc.org. You are requested to submit the research paper/ presentation, if any, by 30th September 2018. We propose to select 4-5 speakers for each of the above 4 sessions and would be happy to reimburse their economy class airfare.

The draft programme is also attached for your ready reference.

I sincerely hope that you will consider this request favourably and look forward to receiving your kind confirmation.

14.9.2018
(RAJ PRATAP SINGH)

Uttar Pradesh Electricity Regulatory Commission Conference 2018
**“Creation of Eco System using Block Chain Technology for Renewable Energy
Distributed Energy Generation & Supply”**

10th October, 2018: Vidyut Niyamak Bhawan, Vibhuti Khand, Gomti Nagar, Lucknow

Agenda

9:30	Registration
10:00	Welcome of distinguished Guests
10:15	Welcome Address
10:45	Opening remarks by Hon'ble Chairman Session 1: Business model for increasing metering billing & collections in rural area using Block Chain Technology
11:45	Q&A Session
12:00	Opening remarks by Hon'ble Member Session 2: Use of Block Chain Technology to scale up distributed rural energy generation and supply in rural area
13:00	Q&A Session
13:15	Lunch
14:00	Opening remarks by Hon'ble Member Session 3: Use of Block Chain technology in providing quality reliable uninterrupted power by mini grids having different generating technologies (Solar PV/Wind/Bio Mass etc.)
15:00	Q&A Session
15:15	Opening remarks by Secretary Session 4: Regulatory framework for creating enabling environment for distributed renewable energy Developers
16:15	Q&A Session
16:30	Closing remarks followed by High Tea

Uttar Pradesh Electricity Regulatory Commission Conference 2018 - "Creation of Eco System using Blockchain Technology for Renewable Energy Distributed Energy Generation & Supply"

Conference Date: October 10th, 2018

Conference Address: Vidyut Niyamak Bhawan, Vibhuti Khand, Gomti Nagar, Lucknow 226010
